

Europe Plans United Army

Marshall Juin, French Hero, In Command

Paris, May 9 —(AP)— Six West European nations tonight initiated the draft of a treaty aimed at pooling their military resources in a unified army more than a million strong.

This army, intended to include 400,000 West German troops, is to be placed at the disposal of the North Atlantic Treaty Organization in the western front against aggression.

It will come under the command of Marshall Juin, 62-year-old French military hero, in his capacity as chief of NATO's central ground sector.

Gen. Eisenhower hailed the initiating of the draft as "a real milestone in the development of Europe's defenses."

In Oslo on a farewell visit at the Alliance's supreme commander, he told newsmen the Army plan would bring German strength into the European defense system on a basis of self-respect.

But how soon West Germany will be able to start putting soldiers in uniform remains one of the big imperatives of the unification plan.

The parliaments of the six member nations — France, Italy, West Germany, Belgium, The Netherlands and Luxembourg — must act on ratification of the treaty after their foreign ministers sign it, probably before the end of this month.

There will be a long, hard fight in the parliaments of the two chief members, France and West Germany.

The European army is to be the first of a European defense community of a supra-national character. All its energies will be channeled into the task of husbanding and directing human and material resources for defense against possible aggression.

Slot Machine Man Indicted For Tax Evasion

Springfield, Ill., May 9 —(AP)— Breen Greer of DuQuoin, under indictment for federal income tax evasion, today was described as the biggest slot machine operator ever internal in downstate Illinois history.

An officer of the internal revenue department's intelligence unit who so described him said Greer has been out of business "for several years."

Greer was indicted by a federal grand jury yesterday. The jury accused him of reporting \$104,056 in income for 1945 and 1946 when he should have reported \$231,572.

The indictment said he paid taxes for those two years of \$53,946 but should have paid \$156,846.

The intelligence unit said Greer started operating slot machines in 1932, and branched into jukebox and pinball, oil, farm and nightclub investments.

His slot machine business ran in Washington, Perry, Jackson, Franklin and Pulaski counties. In some of these, the unit said, he had "exclusive rights."

At one time, the unit reported, he owned 800 slot machines in addition to jukeboxes and pinball devices.

Granite City Boy Killed By Train

Granite City, Ill., May 9 —(AP)— Darrell Wayne Parks, 5, of Granite City was killed today when he was struck by a train just outside the city limits.

Young Parks and his father, William Parks, were walking on one set of railroad tracks and watching a train on another set of tracks.

They did not hear a train approaching from behind them, Parks told authorities. The father, who was on the opposite side of the tracks from his son, escaped without injury.

The boy's body was dragged 300 feet by the train.

Government Acts To Protect Gas; Strike Continues

Denver, May 9 —(AP)— The government acted today to protect dwindling gasoline supplies as a nationwide strike of 90,000 oil workers passed its 10th day with prospects of immediate settlement growing dimmer.

The government directed bulk gasoline plants, terminals and large filling stations in 32 eastern and midwestern states and the District of Columbia to reserve supplies of motor gasoline for possible allocation to maintain essential transportation.

The order goes into effect at 3:01 a.m. CDT tomorrow and may affect about one-half all filling stations in the covered area.

"Overall, the nation still has at this time adequate supplies of automotive gasoline," the Petroleum Administration for Defense said in a statement. "Local shortages may occur, however, in the eastern and central states because of difficulties in transporting products to the point of need."

O. A. Knight, president of the CIO Oil Workers International, largest of 22 unions involved, said the strikers won't go back to work without a settlement.

Chairman Nathan Feinsinger said yesterday he still felt there was a 50-50 chance at settling the dispute without turning it back to the White House.

The unions originally asked a 25 cent an hour pay boost but said later they would settle at 18 cents.

Wages now average \$2 to \$2.10 an hour. They also want 6 cents instead of 4 cents differential for 4 p.m. to midnight work and 12 instead of 6 for midnight to 8 a.m. work and 12 instead of 6 for midnight to 8 a.m. work.

President Truman said he is working hard to settle the dispute. He added it isn't serious enough yet to invoke injunction powers of the Taft-Hartley law.

At the Interstate Oil Compact Commission meeting in Phoenix, Frank Porter, president of the American Petroleum Institute, said the oil industry has stockpiled products in most sections to keep motorists from walking until about mid-June.

School Children Injured As Bus And Train Crash

Atlanta, May 9 —(AP)— A crack New York-New Orleans passenger train smashed into the side of a school bus today, injuring 20 high school girls, three critically.

The first rescuers found the bus upright and the girls sprawled, screaming, in the aisles and across seats.

In the space of five minutes about 50 people had gathered on the four-track grade crossing just inside the city limits of suburban East Point to haul the girls from the battered bus.

A chain relay of men up a 10-foot embankment removed all the students in 20 minutes. Ambulances had begun carrying the injured away before all had been removed from the bus.

An eyewitness, A. T. Pittman, automobile salesman, said the bus driver drove into the path of the train, operating on the Atlanta & West Point railroad tracks.

The train was the southbound "Crescent" of the Southern Railway.

UN Blames Reds For Drug Traffic In Far East

United Nations, N. Y., May 9 —(AP)— The United Nations commission on narcotics today adopted a report at its closing session tonight blaming Red China and North Korea for a dangerous drug traffic in the Far East.

Russia and Poland voted against the report after failing to knock out instances cited by the Japanese, Americans and others of drug traffic by Reds.

The report now goes to the economic and social council for discussion later this month.

It contains United States criticism of Italy which is accused of issuing passports to drug traffickers expelled from the U. S. and now living in Italy.

HONOLULU GIRL TO GET ARMS

Newark, N.J., May 9 —(AP)— Meida Pang, four-year-old Honolulu girl born without arms, is recovering nicely from the first of a series of operations designed to fit her with artificial arms.

The little girl was born with what the institute calls a congenital dislocation. There are no nubs to which to attach the artificial arms so muscles must be used instead.

Six Nation Unity Hard To Achieve

By J. M. Roberts, Jr.
Associated Press News Analyst

The Western European Allies are making a lot of noise about the latest steps in their defense program which is not altogether warranted by the actual meaning of the developments.

The initialing of what is really an incomplete draft treaty by lower-echelon experts does mean that a lot of preliminary work is over. It also means that they have not been able to agree on key points which must now be taken up by the foreign ministers.

There is still a serious dispute over German payments to the proposed defense community and her expenditures on development of the forces to be raised in Germany.

There is still a very serious Franco-German dispute over the Saar, without settlement of which the Germans say they will not go ahead. There are many organizational details still unsettled.

Greater than these, however, is the dispute over the terms of the new peace contract offered West Germany by the Allies. These two treaties are deliberately intertwined, and neither can become effective without the other.

Opposition in Germany has taken a strong position. Chancellor Adenauer obviously has gone out in front of his political support in dealing with the Allied high commissioners.

It was not to be expected that the truly revolutionary concept of a six-nation European army, with Germans, Frenchmen, Italians, Belgians, Luxembourgers and Dutchmen, would be effected without hitches.

The great step was when they agreed to even try to work it out at all.

And what I have said is not intended to represent pessimism over the ultimate outcome. It is just to make it clear that there are still many difficulties, which need not produce despair as they are met.

The six European foreign ministers and their British and American Allies are confident of great progress in their various meetings soon.

Perhaps there is some connection between the optimistic noise over the European defense community and the simultaneous selections of Marshall Juin of France to head the hoped-for army.

The Allies are in a great race with Russian propaganda at the moment, and Russia is already visibly shocked by the intensity of Allied defense efforts. The longer the negotiations are dragged out, the more time Russia has to work on the doubts of some Europeans.

The latest Communist threat, that West Germany's alliance with the west may produce a new Korea, and talk about the East German army, is a part of this. It behooves the Allies, then, to give the appearance of unity as well as to work for it. That may be one explanation of the noise about what is really a not-too-conclusive step.

Rockford Presses Roll; Strike Over, Contract Signed

Rockford, Ill., May 9 —(AP)— Daily newspaper presses were running in Rockford today for the first time in two weeks.

The A.P.U. International Typographical Union and the Rockford Consolidated Newspapers, Inc., signed a new contract last night.

Members of the union had been on strike for six weeks—since March 24. Both Rockford newspapers, the Morning Star and the Evening Register-Republic, continued to publish until April 25 when mass picketing prevented other workers from entering the plant.

A court order later limited the number of pickets among the newspapers' plant but members of other unions did not report for work thereafter and publication was suspended.

In addition to the new contract with the printers, the newspapers signed a new agreement with the CIO American Newspaper Guild, which represents editorial workers.

Joseph Rhoden, TU International representative, said the contract "will go a long way toward setting a pattern within the newspaper industry."

FAIL TO ASCERTAIN IF GERMANY HAS FREE ELECTION

United Nations, N. Y., May 9 —(AP)— The U. N. commission on Germany formally reported tonight that it had been unable to carry out its task — to investigate whether conditions for free elections exist in Germany.

The five-nation commission was created by the General Assembly in Paris last winter, but Poland refused to serve. Representatives of the other four countries — Brazil, Iceland, Pakistan and The Netherlands—visited West Germany, but were unable to get into the Soviet zone.

LIGHTNING STRIKES KMOX TRANSMITTER TOWER

St. Louis, May 9 —(AP)— Radio station KMOX was off the air for 61 minutes today when lightning struck the station's transmitting tower near Granite City, Ill., at 6:19 a.m. (CDT).

The lightning started a small fire in the tower control room, but employees on duty there quickly put out the blaze.

Young Italian Has Our Brand Of Courage

Chicago, May 9 —(AP)— A young man who joined the U.S. army because he wanted to fight the Communists today lost a legal fight to avoid deportation to his native Italy.

The young man, Tony Ciannamea, 26, pleaded:

"I want to stay here because this is a good country. I even volunteered to fight in Korea."

His plea was in vain. But he was given a chance to renew his fight to remain in the land of his choice.

Government May Allow Increase In Food Prices

Washington, May 9 —(AP)— Substantial increases in food prices, ranging from one to several cents a package on a long list of items, may be approved by the government within the next few days.

Price control officials said the increases probably will apply to such things as concentrated coffee, dry cereals, crackers, canned fruits, vegetables and soups, tuna and salmon and some canned meats.

An official told a reporter some items in 33 of the 36 classes of packaged groceries covered by the food price orders may be given higher ceilings. The method and amount of boost in percentage margins for groceries now is being studied by the highest Office of Price Stabilization (OPS) levels.

One official said the increases are necessary to keep grocers' earnings at a fair level. The margin increases under consideration would give the 12-billion-dollar-a-year grocery industry about a 1 per cent hike in dollar volume of sales.

Soldier Prefers Suicide Here To Death In Korea

Seattle, May 9 —(AP)— A 21-year-old soldier who said he would "rather die here than in Korea" was prevented from doing so late last night when he was dragged from a 10th-floor perch on the outside of a hotel fire escape.

The soldier, who identified himself as Pvt. Jack Madsen, 21, of Illinois (hometown unavailable) had stood outside the railing holding by one hand while police detective Don Sprinkle begged him not to let go.

Sprinkle kept talking, edging closer all the while. Madsen flexed his fingers as if he were preparing to let go.

"He was wearing a gold wedding band," Sprinkle said. "I asked him if he was having trouble with his wife."

"Stay away," the soldier said. "I'm going to jump." Sprinkle kept talking—and edging up. Clarence Owens, a bellhop, was closing in from the other side.

"Id rather die here than in Korea," Sprinkle said Madsen told him nervously.

"Come in and talk it over, Jack," Sprinkle said. "It isn't as bad as that." Then he grabbed the young soldier by his arm. Owen pinioned his shoulders. The soldier broke down in a fit of tears.

Madsen was turned over to military authorities.

Judge Acquits Newsmen; Acclaims Freedom Of Press

Shreveport, La., May 9 —(AP)— A Louisiana judge who acquitted five newsmen accused of defaming 16 public officials and three gamblers declared tonight all individual freedom would perish if freedom of the press should die.

And warned Judge Bernard Cocke of New Orleans "the press itself is the principal guardian of its own freedom."

Newspapers must "adhere to principle above desire for selfish gain and not because the advocate of special interests" to perform their duties and retain their powers, the New Orleans judge said.

Stoutly defending freedom of the press, Judge Cocke recently acquitted five Lake Charles, La., newsmen on defamation charges.

The newsmen, members of the Lake Charles American Press staff were indicted for their parts in an anti-gambling crusade waged by the American Press. Their trials attracted nationwide attention.

ACCEPTS SAFETY PLAQUE: KILLED IN ACCIDENT

Duluth, Minn., May 9 —(AP)— An automobile accident which occurred while he was en route home from a Minnesota Safety Council dinner in Minneapolis claimed the life today of Fred Sarette, Two Harbors.

The driver of the car, Sheriff Roland Falk, also of Two Harbors, was seriously injured.

Recovered from the wreckage was the governor's bronze plaque the two had accepted at the dinner for the 1951 traffic safety achievements of their home community. Two Harbors had no traffic fatalities last year.

McGranery OK By Senate Committee

Washington, May 9 —(AP)— The Senate judiciary committee today voted 8 to 4 to approve President Truman's nomination of Federal Judge James P. McGranery as attorney general of the United States.

Senator Ferguson (R-Mich.), who opposed McGranery in four-day committee hearings, promptly announced he will continue his fight to block confirmation of the 56-year-old Philadelphia jurist on the Senate floor.

Ferguson told newsmen he will also file a minority report setting forth the reasons for his opposition.

Witnesses during the hearings variously described McGranery as a tyrant on the bench who set federal attorneys quaking with terror, and as a man of unchallenged integrity and great ability.

Senator Watkins (R-Utah), who opposed McGranery, told reporters today he also would speak out against the nomination on the Senate floor, but that he assumed the administration has enough votes to put the nomination over.

Chairman McCarran (D-Nev.) said he would send the nomination to the Senate without delay, but would refrain from asking the Senate to act until Ferguson's minority report is completed. Ferguson said it would take three or four days to write the report.

With a single exception, the committee split on party lines in voting to approve the nomination. The exception was Senator Langer (R-ND) who sided with seven Democrats against four Republicans.

McGranery was named to succeed former Attorney General J. Howard McGrath early last month in the aftermath of a two-act political drama in which McGrath fired Newbold Morris as the administration's anti-corruption chief and Truman then fired McGrath.

Reds Plan Army Of 350,000 Men In East Germany

Berlin, May 9 —(AP)— East German government circles reported today that the Communist regime is speeding plans to raise an army of more than 350,000 men.

Already, informants said, it is calling back fully trained veterans of the people's police—the army nucleus—to swell present 60,000-man ranks to 150,000.

The tempo of Soviet zone armament quickened at once after East German officials declared they would need to defend East Germany from a threat of Civil War they saw in the western plan to arm West German forces for the proposed European army.

Among other steps reported underway were:

Drafting of a "defense law" to establish a volunteer army and authorize conscription of all able-bodied men for military training.

Planning for a 25-division army with each division containing about 15,000 men armed with artillery, tanks, and anti-tank guns.

With the well-trained "alert units" of the police plus recruits already being sought, East German sources forecast the Communists could raise an army of 350,000 men by next fall.

Rate Increase Announced By Illinois Bell

Chicago, May 9 —(AP)— The Illinois Bell Telephone Co. today announced rate increases ranging from 30 cents to \$2 a month, and the attorney general and Illinois Commerce Commission began studying the hike to determine "appropriate action to be taken."

The new rates were effective yesterday after Judge Charles A. O'Connor in Kane county circuit court, termed an ICC denial for a rate raise as unreasonable and unlawful.

The telephone company has asked for the rate raise last year. It said it wanted the estimated \$9,650,000 after taxes for use in business. The raise would bring in an estimated \$22,500,000 more annually.

Ample Gas Supply For Week-End

Chicago, May 9 —(AP)— There is enough gasoline around the Midwest for that weekend trip you may be planning, the Chicago Motor Club said today.

A club survey, completed today, includes Indianapolis, Cleveland, St. Louis, Minneapolis, Des Moines, Madison, Wis. While some stations are picked, it said, there is enough gas available for weekend trips.

DISCHARGED WEDNESDAY—KILLED THURSDAY

Crane, Ind., May 9 —(AP)— A man who was discharged from the army at Fort Knox Wednesday was killed Thursday night in a traffic accident on U.S. 45, four miles north of Crane.

The victim, Col. Joe Anthony Drozdzynski, 24, of Chicago, was riding with Ronald Overman, Elwood. Overman suffered a skull fracture and was taken to Crane naval hospital.

Police said Overman's car left the highway and overturned.

MORE VETERANS HOME FROM KOREA

San Francisco, May 9 —(AP)— The big transport, Gen. William Gordon, docked here today, returning 3,654 American combat veterans from the Korean war.

The combat veterans, after processing at Camp Stoneman, across the bay from San Francisco, should be on the way to their homes by Sunday.

Map Rescue Of Gen. Dodd

Oslo, Norway, May 9 —(AP)— Gen. Eisenhower tonight reaffirmed his intention "not to campaign for the presidential nomination."

Speaking to reporters during a coffee and brandy hour that followed a state dinner given for him by the Norwegian government, he said:

"If the people want me for president, they will know where to find me."

The general, who came to Norway in the course of his farewell tour of North Atlantic Treaty Organization (NATO) countries, said he has no plans for speeches in the U. S. after he gives up his job as supreme allied commander around June 1 except a long-planned speech in his hometown, Abilene, Kans., June 4.

Eisenhower told the newsmen that "I have said before and I say now that I do not plan to make any campaign" for the Republican presidential nomination.

The general said he still does not know the date he will return to the U. S. other than "around June 1."

He added he will spend "at least one day" in Washington, then fly to Abilene.

The formal dinner for Eisenhower, attended by 130 guests, was given in historic Akershus castle, a 14th century Norse fortress built at the edge of Oslo fiord.

Eisenhower began his response by quoting "one of my old commanding officers who told me always to take your job seriously, never yourself." He said that "all the things I support" as supreme allied commander in Europe "I would continue to support wherever I am and whatever my favor shall be."

Earlier today on his arrival from Paris Eisenhower hailed the initiating of the European army draft treaty in the French capital as a "real milestone in the development of Europe's defenses."

He predicted the treaty would be signed before the end of May by foreign ministers of the participating nations — France, West Germany, Italy, Belgium, The Netherlands and Luxembourg—and that it would be ratified by their parliaments "without delay."

Red Harangue On Prisoner Exchange Slows Truce Talks

Munsan, Korea, Saturday, May 10 —(AP)— The eleventh month of Korean armistice talks began today with no settlement in sight barring a switch in Red strategy on orders of some far-off Communist capital.

Full delegations return to negotiations at 11 a.m. (9 p.m. CST, Friday).

The Allied negotiators have nothing to say to their Communist opposite numbers except "take it or leave it." The "it" is the final Allied proposal of April 28. So far the Reds have left it.

The Communists violently objected to the part of the Allied proposal dealing with prisoner exchange. It called for return to the Reds of only those prisoners who will go without being forced.

That is only 70,000 out of 189,000 soldiers and civilian prisoners. The Reds want 132,000 back, but have hinted they would settle for 116,000.

GOURAMI AND MICE, EVEN ONIONS ARE AT SMITHSONIAN

By Arthur Edson

Washington, May 9 —(AP)— The staid old Smithsonian Institution took on new life today. Forty-two junior scientists have moved in to display their own science fair.

Heavens to thermodynamics! What these kids have been up to!

The mere titles of their studies give an idea.

"The life of the three spot gourami," by Elton Stubblefield, 16, Denton, Tex. (The gourami, as every junior scientist undoubtedly knows, is a fish.)

"A survey of the ectoparasites of the white-footed mouse," by Henry H. Eichelberger, 16, Christchurch, Va.

"The effects of reduced pressure on plant life," by William Eykamp, 15, Evansville, Ind.

Each of the 42 is a regional champion in a contest sponsored by Science Service and co-operating newspapers. Winners of the national contest will be announced tomorrow.

I hurried on to something anyone could understand. Carolyn Evans, 16, of Martinsville, Va., has performed some experiments by feeding people onions.

After they ate the onions, their breaths were sniffed after some had chewed chlorophyll gum, and some had chewed regular gum and some had chewed nothing at all. The verdict, after a half hour's wait, you could smell the onions on all of them.

CANADA LEE DIES

New York, May 9 —(AP)— Canada Lee, the "native son" whose acting had much to advance the Negro in the professional theater, died tonight of a heart attack. He was 45 years old.

As Bigger Thomas, in the stage version of "Native Son," Lee reached stardom in an acting career that began seven years earlier with a chance role in a WPA production.

His last appearance was in the screen version of "Cry, the Beloved Country," a story of racial tension in South Africa.

Eisenhower Plans No Campaign For GOP Nomination

Need Foster Homes For 16 Children

Last summer the Morgan county Child Welfare office, located in the court house, issued an appeal saying it needed to find foster homes for ten children who, through no fault of their own, had been deprived of a family and home life.

The response was heart-warming and immediate. The welfare office was deluged with applications from 57 families to take a child. The heart strings of local citizens were touched and the problem of a home for these unfortunate youngsters was soon solved.

Today, nearly a year later, a similar situation exists for another batch of children. Sixteen children, all natives of Jacksonville and Morgan county, are bereft of the se-

curity, both economic and emotional, of a normal home life. The Child Welfare office hopes a response equal to last summer's will be awakened to meet the needs of this year's group.

Child Welfare Supervisor Miss Frances Meador said Friday that most of this year's group of homeless children are in the school age group, aged six to sixteen. She said there are a number in the early teen-age bracket "who are facing a critical time in their lives."

"All are normal children," Miss Meador continued, "and the older ones are capable and willing to work. But all of them also are in great need of the normal love and

guidance of a parent. Some are going to school and want to continue, and all, at their age, are incapable of making ends meet on their own."

She cited the case of "George" (a pseudonym), aged 15, who is anxious to learn farm work, although he has lived in town all his life. "He needs the opportunity, gained in a family unit, of learning the life of a farmer under the guiding hand of a patient, loving father."

She said "George" lost his mother a few years ago and his father, although a good parent, is unable any longer to shoulder the economic burden of caring for a large family.

"George would be a good bet for a farmer in this area who is interested in children and who would find enjoyment in caring for the boy and showing him, by working with him, the career he would like to map out for himself."

Not An Adoption Plan

Anyone interested in becoming a foster parent should get in touch with the Child Welfare office. The office is not an adoption agency. The plan under which it operates is called "foster parenthood." This means that while the child is not legally adopted, he becomes a part of his new family much as if he were adopted, and the arrangement, if mutually satisfactory, may become permanent.

The Child Welfare office continues to keep in touch with the child through his foster parents. Payments of \$30 a month for board and \$10 a month for clothing are made to the parents by the county. If the child's father is a veteran, the state pays the board and clothing bills.

Miss Meador said applications are carefully investigated to see if they are economically capable of providing a stable home life and in other respects would make good parents.

"All of our children are normal and have the same capacities and needs for the love and guidance of a parent and security of a home," Miss Meador concluded. "They are not delinquents, unless you could call a victim of a broken or deserted home or a home which has lost a parent through death a delinquent child."

Post Office Safe At White Hall Blown By Yeggs; Heavy Damage

White Hall, Ill. — Yeggmen paid a visit to White Hall early Friday morning, blew the door off the safe at the post office, and escaped with cash believed to be between \$800 and \$1,000.

The robbery was discovered by Harry Dawson, janitor at the postoffice when he opened the federal building early Friday morning.

He immediately notified Richard C. Bell, postmaster, who found the safe had been badly damaged.

The yeggs used an acetylene torch to open a hole around the combination into which they poured nitro-glycerine. The charge tore the large door into three large pieces scattering them over the floor. The safecrackers then used the acetylene torch to cut into the inner doors where the cash had been placed.

Scatter Change on Floor

Postmaster Bell said that numerous pennies, nickels and dimes were scattered over the floor where they were left by the yeggmen.

George Wyatt, city clerk and superintendent of the gas department, was working on a main in White Hall about 2 o'clock Friday morning when he heard what he believed to be a muffled explosion. Wyatt immediately checked at the main plant but could not locate the source of the explosion.

Two night police at White Hall did not hear any explosion and did not notice any strange cars in the city during the early hours of the morning.

Blast Releases Tear Gas

The postoffice safe was equipped with tear gas and when the safe door was blown off the gas was released. The gas was still pretty thick in the office when employees reported for work Friday morning.

Several towels were missing from the postoffice and a few soaked with water were found on the floor. Officials believed that the yeggs probably used gas masks as it would have been impossible for anyone to stay in the building when the tear gas was released.

Postmaster Bell reported the robbery to the postoffice department and two postoffice inspectors, a Federal Bureau of Investigation agent and a state policeman rushed to White Hall and started an investigation.

Spring Jubilee At JHS Received With Enthusiasm

BY BETH ARMIN

Miss Barbara Craven was crowned Queen of May Thursday night at the initial performance of the Spring Jubilee of the a capella choir of the Jacksonville high school. The opera "Down in the Valley" was enthusiastically received by the large audience.

Miss Craven, in the role of Jennie Parsons, deftly portrayed her part with John Walker sharing the spotlight with his role of Brack Weaver, a condemned convict. Kenny Wright wove the story in song with his characterization of The Leader. Bob Benson played the part of Thomas Bouche, slain by Weaver.

The supporting parts were well filled by Frank Auwarter, preacher; Bud Halter, Mr. Parsons; Roger Cannell, Harry Heuston and Larry Ing with Diana Dawday and Elizabeth Stum taking other speaking parts.

Music in the Air was the theme of the second part of the program highlighted by the crowning of the Queen by Miss Pat Woodbridge, 1951 Queen. Roy Cooper escorted the Queen, Miss Craven; John Walker the maid of honor, Marjorie Carter; Frank Auwarter and Earle Lair the princesses Doris Jean Herrin and Shirley Reed. Miss Marilyn Todd was the crown bearer.

Down in the Valley was the first opera of its kind to be presented in Jacksonville and was received warmly. The opera, based on the book of the same title, is set to modern American folk music with a typical backwoods setting. The acting and singing of the cast was excellent as the responsive audience showed in applause.

GRAIN-FILLED BARN BURNS WHEN STRUCK BY LIGHTNING BOLT

Jerseyville — A grain barn located on the farm of Robert Gledhill in the Nutwood vicinity burned to the ground Wednesday night after being struck by lightning at 8:30 during a rainstorm. A quantity of hay and corn stored in the building was destroyed by the fire.

Earl Powell is the tenant on the farm. The high wind that accompanied the electrical storm threatened for a time the safety of an adjoining barn but work of men in the community summoned to the fire, prevented its spreading.

Seven At Nazarene Missionary Meeting

Seven members attended the regular meeting of the Woman's Foreign Missionary society of the Church of the Nazarene Wednesday. Mrs. Kate Toler led devotions. Mrs. Mayme Merritt led in prayer and Mrs. Ida Petty the lesson on Central American countries.

Business was conducted by the president, Mrs. Robert Beaty. Sewing day will be May 29.

Worth While Club Meets With Mrs. Ralph Crawford

The Worth While club was delightfully entertained by Mrs. Ralph Crawford on Thursday afternoon. After a short business meeting the program chairman, Mrs. William G. Thompson, conducted a recreation period. Games and contests were enjoyed.

Announcement was that Mr. and Mrs. Paul Carpenter and family of Pleasant Hill have invited members and their families to the Carpenter home on May 25 for a fish dinner. At the close of the meeting delicious refreshments were served by the hostess. The next meeting will be held June 12 at the home of Mrs. Russell McGee.

The glass slipper of the Cinderella fairy story is supposed to be a mistranslation of "pantoufle en vair" which means "fur slipper."

"THE AQUARIUM"

formerly "Brock's Tropical Fish" is now located at 109 East Douglas, one block north of the Square, between North Main and N. Mauaisterre. We have one of the most complete collections of tropical fish in the Midwest, including: Angel Fish, Black Molliis, Scavenger Catfish, Blue, World's Fair, and Gold Crescent Moons, Bettas, Sword Tails, Zebra Fish, Pearl Danios, etc. Recent arrivals: Neon Tetras, Glo-lite Tetras and Flame Tetras (Tetra Von Rio).

STORE HOURS: Monday thru Saturday, 11:00 to 1:00—1:30 to 5:30; Tuesday and Saturday evenings 7:30 to 9:00; Sunday 2:00 to 5:00 p. m. Closed Wednesdays.

1. Here's how Oldsmobile's sensational new Autronic-Eye works! Your headlights are on "Bright" as you sight an oncoming car...

2. Normally, you would have to switch your beam to "Dim." But, with the Autronic-Eye, your lights are lowered automatically, electronically!

3. And once the car is past, the Autronic-Eye saves you another foot operation. Your headlights flash back to "Bright" again—all automatically!

Automatically
Dims Your Headlights
for Approaching Cars!

The feature of the year... in the car of the year! It's Oldsmobile's revolutionary Autronic-Eye—another engineering "first" for the car that's always ahead! The new Autronic-Eye automatically, electronically dims your headlights as another car approaches—brightens them again after it passes by. Tests show that this sensational device saves hundreds of foot operations in normal night driving in traffic! That means less driving tension—more motoring comfort—and, above all, greater driving safety! The Autronic-Eye is another "feature for the future" from Oldsmobile—builder of the superbly styled "Rocket"—Hydra-Matic cars! See us soon and try the amazing Autronic-Eye in a brilliant new 1952 "Rocket" Oldsmobile!

MOTHER'S Day and Mother's DAY

Our artist is not experimenting with his brush! There is a profound difference between these two days...

MOTHER'S Day—with the accent on Mother—is the second Sunday in May, when we honor Motherhood, and express our deep affection for Mother. Mother's DAY—with the accent on Day—is every day of the year. It is Mother's unending labor of love. It is Monday's wash and Tuesday's ironing, the meals to be cooked and the beds to be made, the bruises to be healed and the prayers to be heard.

And at the close of her DAY, Mother has prayers of her own—for her little-ones, her husband and herself.

God is answering many of those prayers through the Church. With its effective program of religious education and worship the Church can supply the spiritual needs in Mother's DAY... and in your DAY also!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

TELEPHONE RATES MUST KEEP STEP WITH OPERATING COSTS

Doesn't it seem reasonable, while the prices you pay for food and other living costs have continued to climb, that the costs of operating your Telephone Company have gone up too—on things like Taxes, Wages and Prices of Materials?

And with inflation comes an increased demand for more and more telephone service, each unit of which costs your Telephone Company more and more to produce.

Telephone Company income, sufficient to meet these increased costs of operation, can only be supplied by an upward adjustment of telephone rates.

"The Value of the Telephone Is Greater Than the Cost"

Housewarming Held At Glasgow For Miss Price

Glasgow—Miss Nell Price, who recently returned here from California and is now residing in her former home, was treated to a surprise housewarming party Sunday afternoon by a group of friends. Those in the invading group included Mr. and Mrs. Harvey Green, Mr. and Mrs. Paul Joaquin, Miss Melinda Ann Hoecker, Miss Nell Day of Jacksonville; Mr. and Mrs. Reaugh Jennings of Winchester; Mr. and Mrs. William Cunningham of Glasgow. A social afternoon was enjoyed.

Entertain at Dinner
Mrs. May Hester and children entertained a group of relatives and friends at a lawn picnic dinner at their home here Sunday. Those present as guests were Rev. and Mrs. Clyde Masten, son, Phillip, Miss Dorothy Hester, R.N., Miss Elaine Brinkman, Howard Purcell of Alton, Miss Helen Hobbs of Jacksonville, Miss Edith Young of Winchester, Mrs. Albert Hester, Floyd Young, and the members of the local B.Y.F. group.
Mr. and Mrs. Roy McEvers, son, Gayle of Glasgow, and Miss Gladys Savage of Alsey were in Roseville Sunday visiting the former couple's daughter, Mrs. Dale Lybarger, and also attending the wedding of Miss Alice Kingsley and Elwyn Bower, both of Roseville.

Sister in Hospital
Fred Oswald was called to near Alsey Saturday by the serious illness of his sister, Mrs. Patrick O'Reilly, who was later removed to Our Saviour's hospital, Jacksonville in the Cunningham ambulance for examination and treatment.
Miss Elaine Brinkman, accordionist, and Howard Purcell, soloist, both

students at Shurtleff College in Alton, presented sacred selections at both the morning and evening services at the local Baptist church, and were well received by both congregations.

It Will Be in Demand When It's 10 Years Old!

Take a new Cadillac home with you—use it with common prudence and give it reasonable care—

—and ten years from today, there should be many, many people anxious to drive it and call it their own!

The soundness of this prediction is attested on used car lots throughout America. Every day, buyers are taking possession of Cadillacs built before the war—and are doing so with pride and anticipation.

There are many and vital reasons for this enduring value of a Cadillac car.

First, of course, is quality. Cadillacs are built to the highest standard it is practical to enforce in the production of a motor car.

The watchword and the goal of those who design and build for Cadillac are one and the same—how good and how enduring can this car be made?

Year in and year out, the search for improvement goes relentlessly ahead.

Small wonder that the car keeps its youth and its performance—far, far beyond the normal span.

GRAIN PRICES ON BOARD MARKED DOWN

Chicago, May 9—(P)—Wheat prices were marked down on the Board of Trade today prior to issuance of a government crop report which, in the opinion of grain experts, will show that winter wheat crop prospects improved over the past month.

The rest of the market also slipped lower with soybeans quite weak. Resistance to the slump was shown in early dealings by feed grains, but they fell back later. Rumors in export circles had Austria seeking American corn, but the amount wanted was not mentioned.

Preliminary estimated receipts of grain in carlots: wheat 2, corn 82, oats 6, rye 13, barley 11 and soybeans 26.

Wheat closed 11-11 lower, May \$2.46½, corn 1-11 lower, May \$1.82. Oats unchanged to 1 lower, May 81-81½, rye 1 to 1 cent lower, May \$1.98½, soybeans 11-21 lower, May \$2.96½, and land 3 to 7 cents a hundred pounds lower, May \$11.20.

New York Stock Market

New York, May 9—(P)—Trading in the stock market slowed down to a walk today and prices milled around uncertainly.

Changes throughout were narrow, around a point at the most either way, with the exception of a few wide movers.

Selected rails and oils at times gave a little show of strength to the market, but that influence didn't last very long.

Trading barely came to an estimated 1,000,000 shares. That compares with 1,230,000 shares traded yesterday.

Higher prices were paid for Santa Fe, Johns-Manville, and Goodrich. Lower were Studebaker, Southern Pacific, Standard Oil (NJ), and United Air Lines.

U. S. Government bonds held steady in the over-the-counter market.

COMMIES DEMONSTRATE

Vienna, May 9—(P)—Tens of thousands of soldiers, police and armed civilians marched through the streets of seven Czechoslovak cities today in a demonstration of communist military power.

Good Golf's Easy

Player Who Tries To Improve Game Gets Most Out Of Golf

By JACKIE BURKE

Golf's Newest Star

There are two types of players at every club.

One wants to improve his game.

The other plays for exercise.

Ninety-nine of 100 golfers who don't break 100 consistently tell you they are not interested in bettering their scores.

But let one of them shoot a 95 and he is pleased and thrilled.

To get the most out of golf, keep trying to improve.

The player who wants to play better looks for competition.

He is never satisfied with his game.

He worries if he has a poor score.

He replays every round mentally, pointing out missed putts and flubbed drives.

That fellow is bound to go somewhere in golf.

The exercise golfer isn't interested in his game and his scores show it.

He concedes himself five-foot putts, tees up on fairways, kicks his ball out of holes in the rough. He can even laugh off a 10 on a short hole.

To be sure this type of player gets something out of the game, but not the benefits, fun and thrills he could obtain if he tried to improve.

To get the ultimate out of the game, you must practice, study the game, play in keen competition and try in every way to lower your score.

Sometimes in experimenting to improve you make mistakes. Players often change their stance, grip and clubs.

Sometimes they change for the worse, but the fact that they are trying to get better shows they are interested.

And even if they make many mistakes they cannot help correcting a fault here and there.

Try a relaxed, easy practice pivot. If you feel free and at ease you probably have the proper stance, balance and grip.

While the use of the hands and

forearms are the basic factors of the proper swing, the hips and shoulders cannot be neglected. They must turn enough to take them out of the way of the hands and forearms.

There cannot be any obstruction to the smooth, flowing swing of the forearms.

The length of the backswing depends on the club being played.

Woods and long irons require a full backswing than short irons.

Golf doesn't come naturally to anyone.

Ability, physique and mental outlook being equal, the player who practices the most will play the best—and get the most out of the game.

Bobby Shantz Pitches Athletics To Win Over Nats

Philadelphia, May 9—(AP)—Little Bobby Shantz, Philadelphia's five-foot six-inch southpaw, pitched a 9-3 triumph over the Washington Senators tonight while posting his fourth decision of the year and first over the Senators since 1949.

Shantz, who came up to the majors in 1949 and won two games that season over Washington, had dropped seven in a row to the Senators before he ended the hex this evening.

One of the blows off his left-handed slants was a seventh-inning home run by Cass Michaels with a base aboard.

The other Washington tally stemmed from Mickey Vernon's triple and an infield out in the fifth frame.

Horse Owners Reject Purses At Lincoln Fields

Chicago, May 9—(AP)—Striking thoroughbred owners, who shut down Sportsman's Park this week, today rejected a purse distribution offer by officials of Lincoln Fields which is scheduled to open a 30-day meeting at Hawthorne Park Monday.

Hawthorne and Sportsman's tracks are adjacent in nearby Cicero, Ill. Most of the horses stabled at Sportsman's were also to run at Hawthorne.

William J. McCormack, president of Lincoln Fields, offered the horse owners purses totalling \$140,200 for the first six days of the meeting.

Purses for the balance of the meeting, he said, would be at least this high or higher.

Meanwhile, the Illinois racing board today suggested that Sportsman's Park and the horsemen resume racing Saturday, the scheduled final day at the half-mile, with all proceeds going to charity after expenses.

Neither the track nor the horse owners commented immediately on this proposal.

White Sox Whip Tigers 8-5 In Diamond Marathon

Detroit, May 9—(AP)—Minnie Minoso's two-run triple in the 16th inning won the longest game of the 1952 major league season today, the Chicago White Sox whipping the last-place Detroit Tigers 8-5 in a four hour and 27-minute duel that began in daylight and finished under the lights.

Relief pitcher Bill Kennedy snuffed out a Tiger bases-loaded rally in the last of the 16th by striking out George Lerdach and getting Johnny Groth to ground out.

In all, 34 players saw action.

An error by shortstop Johnny Ligon set up the winning tally.

With one out, Ligon fumbled winning pitcher Harry Dorish's grounder.

Nellie Fox singled and Minoso tripled. Eddie Robinson's single scored Minoso. Hal White, the sixth of seven Detroit pitchers, was the loser.

With two out in the 14th and the Tigers trailing 5-4, Steve Souchock drove the first pitch into the lower left field stands to keep the game going.

The Sox had moved ahead in the top half of the 14th. Phil Masi walked, moved to second on Chico Carrasquel's sacrifice bunt and scored on Hector Rodriguez's single to center.

Vinegar Bend Folds, Cardinals Lose To Reds 8-3

St. Louis, May 9—(AP)—The Cincinnati Reds, scoreless for six innings, broke out with seven runs in the seventh tonight against Wilmer (Vinegar Bend) Mizell and de-fated the St. Louis Cardinals, 8 to 3, to move into third place in the National League race.

Mizell limited the Reds to four hits until the frame in which his own fielding error seemed to upset the highly-regarded rookie southpaw.

He was allowed to stay on the mound while 10 Cincinnati players batted, seven scoring on two walks and four hits, one of which was a three-run homer by Joe Adcock.

Mizell's defeat was his third against one victory.

Veteran left-hander Ken Raffensberger, gaining his fourth triumph in six decisions, gave up eight hits, including a double and the first major league home run by Les Fusselman, freshman St. Louis catcher.

The Reds, who scored their final run against Jackie Collum in the eighth inning, finished with 10 hits. Ted Kluszewski has three and Adcock and Grady Hatton two apiece.

The Cardinals held a 2-0 lead at the time the roof caved in on Mizell.

Babe Zaharias Heavy Favorite In Weathervane

Seattle, May 9—(AP)—Leading the field by six strokes and playing at the peak of her game, Babe Zaharias will be the heavy favorite Saturday when the Women's Weathervane open golf tournament begins its third lap at Seattle's Broadmoor course.

The Babe kicked women's par by four strokes with a 71 in her only complete practice trip around the tree-lined, exacting layout. Yesterday she approximated men's par of 72 in an exhibition at the local Olympic course.

Few of the professionals in the cross-country Weathervane event have kept practice round scores, preferring to work out kinks in their games as they studied the course.

Patty Berg, 1951 Weathervane victor, clipped one stroke off men's par on the front nine with a 33, four better than the women's standard.

Mangrum-Bolt Tied For Lead In Pan-Am Open

Mexico City, May 9—(AP)—Veteran Lloyd Mangrum, former United States open champion, shot an even par 36-36—72 today to move into a tie with Tommy Bolt for the half-way lead in the Pan-American open golf tournament. They had a 36-hole total of 140.

Bolt, Oklahoma-born professional playing out of Durham, N.C., went 12 strokes higher than his record-shattering 64 for the opening round. A lengthened course and a capricious wind forced him to fire a 37-38—76.

The tournament committee decided the course was too easy after Bolt's scoring 18-hole performance yesterday and proceeded to add 400 yards to the layout by placing markers on the back tees.

The course measured 7,247 yards. It plays a par 28-38—72.

Browns Must Regain Early Stride In Home Stand Starting May 13

Returning home for their first major Sportsman's Park stand of the season next Tuesday night, May 13, the St. Louis Browns hope to regain some of the ground they lost on their recent bumpy trip through the East.

Having played only 5 games on their home field since the season opened, and winning 4 of them, manager Rogers Hornsby is confident that the club will pick up much lost ground during the 19 game home stand that opens Tuesday against Philadelphia.

From the fans' viewpoint, the May 13, Tuesday, Wednesday, and Thursday nights, May 20, 21, and 22 follow. And the Browns have a job to do on Washington. They won't soon forget the recent setbacks at the hands of Bucky Harris' revitalized Nats.

Alias Basil Willing

THE STORY: Private Detective Jack Duggan, who had been posing as Dr. Basil Willing, is poisoned and dies before he has a chance to tell the real Dr. Willing his reasons. The next morning Miss Katherine Shaw, aged blind woman who had apparently mistaken Basil for the impostor at a party given by Dr. Zimmer, a psychiatrist, also is dead. Basil and Inspector Foster questioned "Basil" because he was supposed to be Basil Willing. Brinsley and Miss Shaw's secretary, Charlotte Dean, also were at Dr. Zimmer's home, where the poisoning was believed to have occurred. Rosamund York, another guest at the party, recognized the real Dr. Willing and knew Duggan was an impostor.

LATE that day Basil and Gisela Willing called on Rosamund York. She was entertaining guests. She introduced her husband, Theodore, who was mixing cocktails, then after the Willings were seated she demanded, "Who was that little man at Dr. Zimmer's? And what became of him?"

"The little man was named Jack Duggan," said Basil. "He died a few minutes after he left Dr. Zimmer's."

"Died?" Rosamund's eyes widened. "How?"

"He was poisoned by some opiate, probably cocaine, while he was at Dr. Zimmer's."

"But no one there knew him except Dr. Zimmer."

"Even Dr. Zimmer says he didn't know the man," returned Basil. "He was invited as a guest of Miss Shaw. Apparently she was the only person there who ever met him before."

"And she died the same night." This checked Rosamund for a moment. She went on more slowly than usual. "Did the little man die before he had time to tell you why he was using your name?"

"He told me nothing coherent. He simply muttered something about some place where no bird sang."

"That is fantastic! Even on modern battlefields birds sing. And

TO PRESENT CHARTER

Miss Birdie Norris

A special banquet will honor the Jacksonville Altrusa club at 7 p.m. Saturday at the Dunlap hotel when newest woman's civic club of this city will receive its charter. Miss Birdie Norris of Richmond, Ind., governor of the fifth district which includes Illinois, Indiana and Wisconsin, will present the charter.

Dr. Mary Louise Newman is the newly elected president of the club.

Arrangements for the dinner are being made by Miss Rosemary Farrell, chairman, assisted by Miss Helen Stone and Mrs. Lucille Holler.

Over 100 Attend Farewell Fete For ISD Graduates

More than 100 hundred students and faculty members of the Illinois School for the Deaf attended the annual farewell dinner-dance honoring the graduating class in the Masonic Temple Saturday night. The event was sponsored by the members of the three literary societies at the school.

The theme of the evening, "Happy Landings," was carried out with aerial decorations in the senior class colors and appropriate entertainment. Gilbert Paul, a junior, was the toastmaster. He was assisted by Edward Feller, also a junior.

The invocation was given by Phyllis Duncan and Marlene Lynch. Those appearing on the program included Thomas Kibbe, Doyel West, Helen Winkler, Myrtle Warren, Kenneth Wilson and Thomas Kline, assistant superintendent. Wally Baptist provided music for the dancing that followed the program.

The class of 1952 is the 89th class to graduate from the local state school. The class roll is as follows: Irvin J. Carlstedt, Chicago; Faye Ann Cave, Leroy; Alta Vernon Hood, El Dorado; Stanley M. Kwiat, Chicago; Noah Wertz, Ohio; Barbara Agnes Winkler, Stretator; and Helen Winkler, Stretator. Mrs. Dora Bolen is the class adviser.

Working for the success of the dinner-dance were faculty members, William A. Johnson, general chairman; Harriet Bradney, Agnes Carr, Helen Dial, Frances Frisch, Virginia Gray, Howard Hofstater, Marie Hofstater, Eunice Hopper, Edith Keating, Charles Marshall, Doris Orman, Margaret Peterson, William Randall, Rhoda Samore, Joseph Standley, Harold Stark, Martha Stark, William Traylor and Clara Wilkins.

To Register At Northside School For First Grade

Pre-registration of all children who will be in the first grade at the North Jacksonville community consolidated school this fall will be held Wednesday from 1-3:30 p.m.

The children should bring birth certificates with them.

The registration will be conducted in the first grade room, since all classes will move up one grade Wednesday to get acquainted with their rooms for next year.

ARCHITECT'S DRAWING OF PROPOSED SALVATION ARMY BUILDING

A campaign to secure \$100,000 with which to construct a new building for the Jacksonville Salvation Army will be launched immediately, according to an announcement made Friday night by R. J. Kaufmann, chairman of the board after a meeting at the Dunlap hotel.

It will be the first campaign for new construction or repairs in over 63 years that the Salvation Army has served this community.

The directors for several years have studied various plans and proposals to secure adequate quarters for the ever increasing work of the Army. The present quarters are antiquated and inadequate and present a serious fire hazard.

The Salvation Army first started working in Jacksonville in 1889 and it was soon after that time that the present buildings were purchased. The buildings were old then and despite various repairs are not suitable or large enough for the work which the Army is doing in Jacksonville.

The barracks where youth work is conducted is too small. It has a seating capacity of about 110 and at some meetings 150 adults and children crowd into the small room. It is impossible to divide the group into classes for Sunday school teaching.

Major and Mrs. Henri Servais are compelled to divide the group by holding night meetings during the week.

The board at one time planned to remodel the present structure but after learning that the cost would be in excess of \$30,000, it was decided to raise sufficient funds for an entirely new building.

The heirs of the George T. Lukeman estate, in his memory recently donated a lot on West Douglas avenue as a site for the new building. The board of directors then secured an option on the property now owned by the Assembly of God church adjoining the Lukeman lot.

The property now occupied by the Army on East Beecher avenue, will be sold and the proceeds go toward the new construction.

The plans call for the construction of a gymnasium and social hall for youth work, a chapel, transient living quarters and living quarters for the Army staff.

There would also be a sewing room where the auxiliary may meet to work on the repair of old clothing and do their quilting.

Kaufmann in making the announcement said: "present scheduling calls for the general solicitation to get underway around the first of June and to be concluded within a three or four week period, and we feel confident that at the end of this time all of us can join in celebrating a victory and a job well done."

The Chicago society of the MacMurray College Alumnae association will meet Saturday noon for the annual spring luncheon in the Wedgewood room of Marshall Field and company. The members will have as their guests from the college Miss Genevieve Mount, alumnae secretary, Dean Roma N. Hawkins, Miss Frieda Gamper and Miss Isabel C. Stewart of the faculty, and Justin Brown, director of admissions.

A feature of the luncheon will be an address by Miss Olive Dunn, an alumna who recently returned to her home in Hammond, Ind., after serving the Methodist Mission at Bareilly, India, for the past 30 years.

New officers were elected by the Morgan-Greene Eight and Forty Salon 320 at the recent monthly meeting.

They are Le Chapeau, Mrs. Manilla Wright; demi chapeau, Mrs. Florence Vasconcellos; demi chapeau, Mrs. Mattie Gilbert; l'au-mo-nier, Mrs. Bertie Spaulding.

La concierge, Mrs. Julie Alvarez; la surintendante, Mrs. Helen Scanlon; la secretaire casiere, Mrs. Mattie Gilbert; and la avocate, Mrs. Zella Reid.

Bunco was played at the conclusion of the business session with prizes going to Mrs. Julie Alvarez, Mrs. Lorene Cruzan, Mrs. Bertie Spaulding and Mrs. Manilla Wright.

Refreshments were served by the hostesses, Mrs. Anna Thompson and Mrs. Mattie Gilbert.

Plans were completed for entertaining the state officers at the meeting in June.

Cole Y. Rowe has been appointed chairman of the local committee of the University of Chicago Alumni Foundation campaign for the 1952 alumni gift to the university.

A goal of \$300,000 for 1952 has been set by the foundation chairman, Earle Ludgin of Chicago. Since the founding of the annual giving program 11 years ago, the total alumni gifts, including bequests and capital gifts, total \$949,000. Alumni bequests and capital gifts bring the total to \$3,630,000.

There are 34 University of Chicago alumni in Jacksonville. From this group those who will assist Mr. Rowe as members of the local foundation committee are Dr. Louis Beinson, 1201 South Main street; Mrs. Eleanor Drum, 1201 South Main street; Dr. Albert P. Fricke, Farmers Bank Building; Mrs. S. N. Osborne, 1533 Mound Ave.; Arthur J. Lauff, 1652 West State street; and Mrs. Joe Patterson Smith, 1228 W. College avenue; Carl E. Robinson, Professional Building; William T. Wilson, 222 W. State street.

TO SHOW RELIGIOUS FILM AT LUTHERAN CHURCH The picture, "Venture of Faith," which recently received a Freedom Foundation award on a television program, will be shown at Salem Lutheran church Sunday at 8 p.m. This picture is the latest in the series of religious films produced by the Lutheran Laymen's League, and is being shown under the auspices of the local league club.

Ben M. Kincaid, Greenfield Native, Dies In California Greenfield—Ben M. Kincaid, until seven months ago a lifelong resident of Greenfield, died at 2 a.m. Saturday at his home in Arcadia, Calif. He was 81.

He was formerly in the ice and coal business in Greenfield and was one of the proprietors of the old Greenfield opera house for a number of years.

On Dec. 1, 1951, he became a 50 year member of the Masonic lodge. He was a member of the Greenfield Methodist church; the M.W.A. 459; past high priest of the Royal Arch chapter 186 and past worshipful master of the Greenfield Masonic lodge A.F. and A.M. 129.

The deceased was born at Greenfield Sept. 23, 1870, the son of Lynn and Amanda Mason Kincaid. He is survived by his wife, the former Rose Smith of Arcadia; a daughter, Mrs. Helen Rathburn of Edinburg, Ind.; a grandson and one sister, Mrs. Nell Hawkins of Hollywood, Calif.

The body will be taken to the Shields Memorial Home at Greenfield where friends may call. Services will be held at 3:30 p.m. Sunday under the auspices of the Masonic lodge, at the Greenfield Methodist church with Rev. George E. Mayo in charge. Interment will be made in the Oakwood cemetery.

Howard P. Holt Succumbs Friday After Long Illness Howard P. Holt of 316 Lorton street died Friday at 1:15 p.m. at the home of his sister, Mrs. Dorothy Wheeler of 225 Anna street.

Holt was a trucker. His illness was of long duration.

He was born in Jacksonville March 28, 1888, the son of Arthur and Hattie Simpson Holt. He attended the local schools.

The decedent was a member of Mt. Emory Baptist church.

His parents, two brothers and one sister preceded him in death.

Surviving are two sisters, Mrs. Wheeler of Jacksonville and Mrs. Sarah Treadwell of St. Louis, and two brothers, Orville and Harold Holt of this city. A nephew, James, also resides here.

The body was taken to the Cody and Son Memorial Home. Funeral arrangements are incomplete.

Burglars Visit Service Station At New Berlin New Berlin—Two young burglars fled at an early hour Friday morning after breaking into the Gensbauer service station here, from which they obtained a small amount of money.

John Knust, night watchman, saw the pair run and jump into an old automobile when he approached the service station after midnight. The watchman could not distinguish the model but said the car was of the jalopy type.

Investigation showed that the station had been entered and the Coca Cola vending machine broken open. The cash in the machine was stolen.

A report of the burglary was made to the sheriff's office at Springfield and a deputy sheriff came to New Berlin to make a check.

TO DEDICATE FLAGPOLE The American Legion will conduct dedication services at 2:45 p.m. Tuesday for the new flagpole at the North Jacksonville school. Parents and friends are invited to be present.

Notice of Annual Meeting The annual meeting of the JACKSONVILLE COMMUNITY CHEST will be held at 7:30 p.m. Monday, May 19 in the Dunlap Hotel, 321 West State Street, Jacksonville, Illinois, to elect directors for the year, hear reports and transact any other business presented. Litigation Ends With Compromise By Scott Schools Winchester—Circuit Judge Clem Smith entered an order in the circuit court of Scott county Thursday afternoon which concluded the Mandamus suit commenced last November by Community unit school district No. 1 of Scott county against the trustees of schools of the various townships of the county.

The unit asked that an appraisal of the physical assets of the schools of the county be made so that an apportionment of funds could be made between the Merritt common school district and Community unit school district No. 1, following the withdrawal of the Merritt district from unit No. 1. Naples common school district, which also withdrew from the unit later, became involved in the litigation.

An appraisal of the physical assets of the schools of the county had been made at the direction of the school trustees, which allotted certain funds to the Merritt and Naples schools. The Mandamus suit contended that the original settlement did not comply with the state school laws and asked that there be a legal appraisal and allocation of funds made.

The order which was entered Thursday was the result of a compromise settlement which was agreed to by the school trustees and school directors of the districts involved. It provides for the payment of certain sums to the Merritt and Naples common school districts and the release of certain other funds, which were held by the tax collector and the county superintendent of schools, to Community unit school district No. 1.

Unit No. 1 was represented by Norbert L. Hutchens and L. Allan Watt. Merritt and Naples districts were represented by Robert W. Deffenbaugh and John B. Wright.

Child Study Department The Girl Scouts provided the program for the meeting of the Child Study department of the Woman's club held Thursday night at the Legion Hall. Because of the weather some of the outdoor demonstrations planned were not given.

Brownie Troop 66, under the leadership of Miss Barbara Tarkenton, told of some of its studies and sang a Swiss song. A model meeting was shown by troop 58, under the leadership of Mrs. Ruth Krell and Mrs. Mary Fulmer. Troop 70, led by Mrs. Margaret Roosa, gave a demonstration of handicrafts learned, scrapbooks made and other studies.

Preceding their program, Mrs. Lawrence Krell showed a movie on Girl Scouts, describing some of the values of Scouting. The introductions were made by Mrs. Warren Breeding, Girl Scout chairman for the department.

At the business meeting the members voted to give \$30 to the Girl Scouts. Mrs. Homer Rockwood told of plans for the final Woman's club meeting which will be May 19 at a dinner at Hotel Winchester, and asked that all members wishing to attend make reservations with Mrs. Allan Watt or Mrs. Dale Bradshaw by Thursday. Five members were recognized for their perfect attendance, Mrs. Fred Edwards, Mrs. Loreta Blackburn, Mrs. Gertrude O'Donnell, Mrs. Marcella Lashmet and Mrs. Jean Christian.

Mrs. Allan Watt presented the gavel to the new chairman, Mrs. Dale Bradshaw, who announced the following chairman of committees for the coming year: Mrs. Lillian Coultas, program; Mrs. Loreta Blackburn, ways and means; Mrs. Agnes Ann Smith, hospitality; Mrs. Virginia Montgomery, foster home children.

Preceding the program the 50 Girl Scouts were guests of the members at a potluck supper. The committee in charge of the dining room included Mrs. Jean Ann Herring, Mrs. Jocelyn Nelson, Mrs. Dee Cherry and Mrs. Thelma Wilson.

Legion Post Meets Julian Wells post of the American Legion at its meeting held Wednesday night heard a report of the 20th district meeting held at Pittsfield recently, by Dr. William O'Reilly, who was a delegate from the local post.

The post voted to send a boy to Boys State, which is sponsored by the state department of the American Legion and is held in Springfield each year. The V.P.W. is expected to also send a boy from the Winchester high school. The boys will be selected by the faculty of the school.

Richard Mann, chairman of the school awards committee, announced that arrangements have been made to present the annual school awards to the outstanding boy and girl in the grade school and high school graduating classes.

Plans were completed for a fish fry to be held at the Legion Home June 4, and plans will be made at this meeting for the annual burgeois picnic which will be held Aug. 7. Commander Boite appointed the following committee to be in charge of the fish fry, H. C. Montgomery, John McGuire, John Carlton, C. R. Slagle, Kenneth Cunningham, Otto Priest and Herbert Adkins.

Commander Boite announced that the annual election of officers will be held at the first meeting in July this year and that a nominating committee will be appointed at the meeting to be held May 21. It was announced that the Legion Home will no longer be open on Saturday nights for use of the young people, due to the lack of interest shown by the young people of the community for the past few weeks.
